SPECIAL GUEST SPEAKER

Renata Lee & Bob Newnam

17 Star Platinum, 11 Star Crystal Executive

Renata worked in network marketing and Bob used to be a full time teacher coach. They both tired of their works. Looking for a company that would offer more than a 9-to-5 business, they finally found a home with Isagenix in 2002. After seeing Bob's product results and the leadership behind Isagenix, Renata and Bob knew this company was special and it was a company

they were proud to partner with.

Started with limited resource, it was amazing that they built their business in the first nine months. Have joined Isagenix for over 15 years, now they are No.13 Income Earner and one of Isagenix millionaires. They can't wait to share their story with you!
