# FREQUENTLY ASKED QUESTIONS

## Who can qualify and participate in the Leadership Bonus Pool?

All Paid-as Director and Paid-as Executive regardless of join date, from Malaysia, Singapore, Indonesia, Taiwan and Hong Kong are eligible to participate in the Leadership Bonus Pool.

## What is Net Cycle Benchmark?

- Your Net Cycle Benchmark is created by averaging your 13 previous weeks' paid Team Bonus cycles.
- Each week, we will take the difference of your paid Team Bonus Cycles and your Net Cycle Benchmark to determine your Weekly Net Cycle Growth (Total no. Weekly Paid Cycles - Net Cycle Benchmark). We add your Weekly Net Cycle Growth for each week in the month to determine your Monthly Net Cycle Growth. Each weekly Net Cycle change for the month (both positive and negative) will be used for calculation regardless of member's weekly paid-as rank.
- Must increase your Net Cycle Growth by at least two over the previous month's benchmark.
- The maximum payout for any participant is US\$3,000.
- For Directors who qualify for Director portion of the pool but do not have 13 paid weeks available for use in the Net Cycle Benchmark calculation, we will use the maximum number of available paid weeks.

## How will the pool be paid out?

We will divide the number of total shares earned by all Associates during the month into US\$20,000 to calculate the value of one share (share value). We will then multiply that share value by the number of shares you earned to calculate how much you earn. This will be calculated in US dollars and paid out in local currency based on the current exchange rate.

## How long can I participate?

Paid-as Director who qualify for the Leadership Pool can participate in the Director's portion of the pool for a maximum of 3 consecutive months. The first month a Paid-as Director participates in the Director's portion of the pool will count as month 1. After 3 consecutive months are complete, the Director will no longer be eligible to participate in the Director's portion of the pool. After that, he/she may advance his rank to Executive and maintain Paid-as-Executive each day during the commission week, to enjoy the Executive portion of the pool as long he/she meet the requirement. If at any point he/she get to active rank Executive, he/she will only be able to participate as an Executive from that point forward, starting the following month. He/she can no longer participate as an active rank Director, even if he/she didn't finish his/her 3 months as Director.

Example: Paul participated in the Leadership Pool in January 29, 2018 as a Director for the first time. Regardless of his participation over the next months, the last month he can participate in the Leadership Pool as a Director will be April 2018.
